PROFESSIONAL EXPERIENCE

Wood Mackenzie | Gurugram, India

Feb 2025 – May 2026

Principal Consultant — Supply Chain Consulting

- **Benchmarked a \$2.2B upstream capital project** for a global E&P operator (D&C, Facilities, Pipelines); analysis drove a pre-FEED budget revision presented to VP leadership — Q3 Innovation Award
- **Identified ~\$6M cost optimisation** across \$233M contractor spend through rate-variance decomposition across 6 contractors, reshaping RFP strategy and negotiation mandate
- **Disproved a claimed 23.8% supplier price escalation** on \$75M+ transmission-structures spend via category intelligence; cost models justified only 1.5–5.6%, securing competitive rebid mandate
- **Built greenfield E-STATCOM sourcing strategy** across a ~\$1B market, adopted as standard approach for new technology categories supporting 20GW+ data-centre growth
- **Surfaced >20% target-vs-actual savings gap** for a utility's Energy Waste Reduction programme via Excel–Alteryx KPI workflow
- **Benchmarked supply-chain organisations across 10 peer utilities** using spend-per-FTE and spend-per-RFP quartile analysis — operating-model recommendations adopted as directional strategy; mentored 5 analysts
